2018 Membership

Dear Friends of the Middle Valley Community Center,

With the start of the New Year comes the time to renew your membership with the Middle Valley Community Center and help preserve a part of New Jersey history that spans over two centuries. As you know membership dues and annual donations are used for ongoing building maintenance and to help pay for the rising costs of insurance as well as provide community social events such as the membership dinner, picnic and sponsored programs.

During the past year the Middle Valley Community Center Trustees and volunteers focused their attention on generating revenue through various programs and promoting usage of the center to the general public. On a monthly basis the building was used for Gong Meditation and Ecstatic Dance. In late September the building's doors were opened for a free Music and Dance weekend, and in October for the Mef and Angela musical concert. First time visitors as well as Middle Valley Community Center veterans alike were able to enjoy the sights and sounds with friends in an historic setting.

Unfortunately Middle Valley Community Center was unsuccessful in acquiring a State grant to repair the roof and back basement wall. We therefore do not have the finances to make these needed repairs. Several projects we were able to complete such as improvement of the path lighting, landscaping, and installation of new window blinds, made possible in large part by the generous Adopt-A-Window campaign donations.

We recognize and appreciate the financial support you have shown over the past years and invite you to continue your support in 2018. For your convenience, membership dues and donations may be made on-line using a PayPal link located on the www.MiddleValleyNJ.org membership page or completing and sending in the form below.

Please save the date of April 28, 2018 for the Middle Valley Community Center Annual Dinner and Membership Meeting (location and time to be announced). We look forward to seeing you there!

Thank you for your support and generosity.

Sincerely,

Middle Valley Community Center
