## 2024 Membership

Dear Friends of the Middle Valley Community Center,

Another year has closed and we want to express our deepest gratitude for your continued support of the Middle Valley Community Center (MVCC). Your membership has played a vital role in allowing us to enrich the community with a vibrant calendar of arts and cultural programs.

Renewing your membership today is not only an investment in MVCC, but also in the cultural landscape of Middle Valley, NJ. Your support will allow us to continue our mission and ensure that everyone has an opportunity to experience the joy and enrichment that the arts can bring.

We are excited to share some of our accomplishments from the past year, made possible with the support of our dedicated members:

- Expanded arts programming featuring an exceptional fine arts exhibition.
- Increased community engagement through hosting outstanding musical events with local performers.
- Preserved local history with continued restoration and maintenance of our historic building... ensuring this cultural landmark will continue to serve the community for generations to come.

These achievements are just a glimpse of the positive impact you are helping to create. With your continued support through membership renewal, we can continue to bring cultural experiences to the community, provide engaging opportunities for people of all ages, create a welcoming inclusive space for all to enjoy and preserve local history and cultural heritage.

Thank you for your continued support. We look forward to another year of creativity and community at the Center!

Sincerely,

Bill Leavens, president  
and the MVCC Trustees
